Also effective July 1, 2000, there is a special depreciation rate for qualified technological equipment.

### IMPORTANT

#### To ensure proper credit to your account, please remember

1. Only one return will be accepted for each tax registrant. Therefore, if you have more than one business location, please file a consolidated return with a separate schedule for each location.
2. Enter your Federal Employer Identification Number (FEIN) or Social Security Number (SSN) if self-employed, in the appropriate boxes.
3. Include the telephone number of an officer or owner of the business.
4. Include your name, address, the tax year, and FEIN (or SSN) on any additional schedules or attachments.
5. Write "2006 FP-31" and your FEIN (or SSN) in the lower left corner of your check or money order.

### Who Must File a Personal Property Tax Return?

A DC personal property tax return (Form FP-31) must be filed by every individual, corporation, partnership, executor, administrator, guardian, receiver, trustee or by any entity that owns or holds in trust any tangible personal property if:

- The property is located or has a taxable situs in DC and
- The property is used or is available for use in DC in a trade or business, whether or not operated for profit. This includes property kept in storage or held for rent or lease or similar arrangement to third parties, government agencies or non-profit entities.

**NOTE:** You are engaged in a trade or business if you are carrying on or concluding the affairs of a trade, business, profession, vocation, rental of property, or any other activity, whether or not operated for profit or a livelihood. Construction companies doing business in DC at any time from July 2, 2004 to July 1, 2005 must apportion the remaining cost (current value) of tangible personal property as of July 1, 2005, in accordance with the number of days during the period their tangible personal property was physically located in DC.

### Exemptions

1. Non-profit Organizations—The tangible personal property of an Internal Revenue Code (IRC) §501(c)(3) organization that has received a certificate of exemption from the Office of Tax and Revenue is exempt from the personal property tax. **Note:** Any personal property used for activities that generate unrelated business income subject to tax under IRC §511 is not exempt from the personal property tax. If you are an IRC §501(c)(3) organization and would like to obtain a DC exemption application (Form FR-164), please visit our website at [www.cfo.dc.gov](http://www.cfo.dc.gov) or call (202) 442-6546.
2. Gross Receipts Tax, Distribution Tax, Toll Telecommunication Service Tax and Commercial Mobile Service Tax—The Tax Clarity Act of 2000 (DC Act 13-501) provides an exemption from personal property tax for the tangible personal property of any entity subject to the gross receipts tax, distribution tax, toll telecommunication service tax or commercial mobile service tax.
3. Qualified High Technology Companies (QHTC) —The New Economy Transformation Act of 2000 (DC Act 13-543) provides an exemption from personal property tax for ten years from the date of purchase for qualified tangible personal property purchased after December 31, 2000 by a company certified as a QHTC. See the specific instructions for a description of eligible property. Qualified personal property leased to a QHTC is also exempt from personal property tax for a period not to exceed ten years. A QHTC is any individual or entity with two or more employees headquartered or operating in DC and deriving at least 51% of gross revenue from one or more qualified technological activities. The qualified technological activities are as follows:

- A. Providing Internet-related services and sales;
- B. Providing information and communication technologies involving advanced computer software and hardware, data processing, visualization technologies or human interface technologies;
- C. Providing advanced materials and processing technologies relating to the chemical, biochemical, or medical field;
- D. Providing engineering, production, biotechnology and defense technologies involving knowledge-based control systems and architectures; or
- E. Providing electronic and photonic devices and components, such as microprocessors, logic chips, memory chips, lasers, lenses and optical fibers.

A QHTC claiming exemption from personal property tax must attach form QHTC-CERT to Form FP-31. For more information on QHTCs, see Publication, FR-399, Qualified High Technology Companies. FR-399 includes information on QHTC claims for a refund of personal property tax and the schedules to use for exempt QHTC property. Information may also be found on our website: [www.cfo.dc.gov](http://www.cfo.dc.gov).

### Payment of Personal Property Tax

The total amount of tax due must be paid in full and mailed with the return (please use the enclosed envelope). Make the check or money order payable to the DC Treasurer, and write "2006 Personal Property Tax" and your FEIN (or SSN) in the lower left corner of your check or money order.

### When and Where To File

The 2006 DC Personal Property Tax return must be filed on or before July 31, 2005. Mail the return to the Office of Tax and Revenue, PO Box 96035, Washington, DC 20090-6035.

### Photocopies

Please file the original return. Do not send a photocopy.

### Charge for dishonored check

A \$65 charge will be imposed if your bank does not honor your check for payment of this or any obligation due DC.

### Extension of Time to File

To request an extension of time to file your Personal Property Tax Return, mail Form FP-129A on or before July 31, 2005. Mail it with your payment of the total amount of tax due the Office of Tax and Revenue, PO Box 96035, Washington, DC 20090-6035.

### Penalties and Interest

- A late payment penalty of 5 percent per month or portion of month (25 percent maximum) will be assessed on unpaid taxes.
- Interest at the rate of 10 percent per year, compounded daily, will be assessed on any tax remaining unpaid after the return due date without regard to any extension of time to file. Interest on a late payment is computed from the return due date to the date the tax is paid.
- A penalty may be applied if there is an understatement of tax liability greater than \$5,000 (greater than \$10,000 for corporations) that is attributable to a valuation misstatement.
- The misstatement is substantial if the amount determined to be the correct valuation is 200% or more than the amount reported on your return. In this case, the penalty is equal to 20% of the underpayment.
- The misstatement is gross if the amount determined to be the correct valuation is 400% or more than the amount reported on your return. In this case the penalty is equal to 40% of the underpayment.

Additional information on the personal property tax may be obtained by calling the Customer Service Administration at (202) 727-4829 or visiting the service center at 941 North Capitol St NE (1st floor), Washington, DC.

## SPECIFIC INSTRUCTIONS

**Value of Tangible Personal Property** — You must report the remaining cost (current value) of all your tangible personal property as of July 1, 2005.

**Depreciation** — Depreciation is allowed only for the period of ownership from the month and year of acquisition. The straight-line method of depreciation is the only method allowed in calculating the remaining cost (current value). Do not use accelerated depreciation methods and property lives, including the Accelerated Cost Recovery System.

Tangible personal property (excluding qualified technological equipment) reported on the return **must not** be depreciated in excess of 75 percent of its original cost. Consequently, the remaining cost (current value) of all tangible personal property (excluding qualified technological equipment) must be at least 25 percent of the original cost.

Qualified technological equipment must be depreciated at the rate of 30 percent per year. It **must not** be depreciated in excess of 90 percent of its original cost. Consequently, the remaining cost (current value) of qualified technological equipment must be at least 10 percent of the original cost.

For personal property tax years beginning July 1, 2000 and thereafter, the remaining cost (current value) of qualified technological equipment acquired on or before June 30, 2000, must be calculated as if depreciation at the rate of 30 percent per year was used from the acquisition date. However, there will be no credit granted nor refund of tax paid in earlier tax years under the prior depreciation rate for qualified technological equipment.

Depreciation rates for tangible personal property not listed in the Depreciation Guidelines in this booklet may be obtained by calling (202) 727-4829.

Use Schedule A of the Personal Property Tax Return to report all depreciable property that you own which is subject to the personal property tax.
